

**THE ANDOVER NEWS**

ONE DOLLAR A YEAR.

HAMILTON C. NORRIS, EDITOR

ANDOVER, N. Y., June 23, 1896.

It is lamentable that so many people will be compelled to stay at home and view the beauties of their own country, for the European steamer companies give out that they cannot accommodate more than half the people who wish to go abroad this summer.

Black suits and patent leather shoes were, it is said, required of participants in the graduating exercises of the Evanston, Ill., public schools this year. America's greatest men have managed to get along in their race to fame and fortune without the assistance of black suits and patent leather shoes. Evanston needs a change in its public school authorities.

Having extended the benefit of the civil service rules to the employes of the Government Printing Office at Washington, there is nothing left except the President and his cabinet, the Vice President and Congress to be provided for in future extensions. There are people who think it would be a decided improvement if Congressmen were compelled to pass a competitive examination.

Circuit Judge M. C. Saufley of Lancaster, Kentucky, proposes to try a novel suit before a novel jury. It is an action for breach of promise brought by W. C. Stivers, a Lancaster widower, against Miss Katherine West, a young school teacher. Judge Saufley says that the jury before which it shall go must be composed of women. Under the new Constitution they are eligible for jury service.

Clinton Miller of Bradford, Pa., a florist gardener and quite an intelligent man, has a strange hobby. He does not and will not wear a hat. Not since a boy has Miller worn any head covering other than a short, thick growth of natural hair. He says nature provided man with all the head covering he needs. We suppose Miller does not carry his idea so far as to discard all other clothing, although doubtless the same argument would apply to the use of pants and shirts that he applies to the use of a hat.

I have two little grand children who are teething this hot summer weather and are troubled with bowel complaint. I give them Chamberlain's Colic, Cholera and Diarrhoea Remedy and it acts like a charm. I earnestly recommend it for children with bowel troubles.
