THE KELLEY SHOES

Have gotten to Andover and can be found only one place in town. That is our Shoe Department and we predict as great a sale for them in Andover as in New York and Chicago, when first introduced.

The Kelley Shoes from an artistic stand point, are surely the perfection of style and fine shoemaking. If you are the owner of a homely foot you will not recognize that pair of feet when dressed up in Kelley's Shoes. Don't buy a new pair of shoes until you have seen our new foot wear which is now ready.
