A horse kicked H. S. Shafer, of the Freemyer House, Middleburg, N. Y., on the knee, which laid him up in bed and caused the knee joint to become stiff. Last June Dick Crawford brought

his twelve-months-old child, suffering from infantile diarrhea, to me. It had been weaned at four months old and had always been sickly. I gave it the usual treatment in such cases but without benefit. The child kept growing thinner until it weighed but little more than when born, or perhaps 10 pounds. I then started the father to giving Chamberlain's Colic, Cholera and Diarrhea Remedy. Before one bottle of the 25 cent size had been used a marked improvement was seen and its continued use cured the child. Its weakness and puny constitution disappeared and its father and myself believe the child's life was saved by this Remedy. J. T. Marlow, M. D., Tamaqua, Ill. For sale by L. A. Burrows.
