There was a heavy frost last Saturday night, and on Sunday morning all the susceptible "garden sass" that hadn't been covered up, and many of the larger crops, showed evidence of sudden death. The damage will doubtless prove considerable.

At the Democratic caucus Friday evening, the following named delegates were elected to represent this town at the Democratic County Convention which was held in Cuba this week Monday: P. Delaney, Michael Dean, P. C. Lynch, T. Hyland.

We understand it is the intention to send a box of clothing from this place soon.

On one of A. Porter's apple trees were noticed a few days ago a large number of blossoms. In fact the tree had blossomed out all over, and the blossoms were as pretty as those we see in the spring-time. Orange blossoms are in order at all times of year, but apple blossoms in September are a rarity.

The News office has received a new safe. It was made by the Cary Safe Company of Buffalo, a firm that sells large numbers of fire and burglar-proof safes in all parts of the country. Their safes have stood the test in two fires in Allegany county recently—at Canaseraga and Angelica—and preserved their contents so well that it seemed to us needless to look for anything better in the way of protection. The Cary Safes possess many late improvements, which are used only by this company, and the owner of one of these safes has every reason to congratulate himself upon the fact that he has one of the best articles of the kind that can be made.
