Worth [illegible]

The Information Supplied by this Gentleman is too Valuable to Throw Carelessly to One Side.

The reader may never have been in Rochester, N. Y., and probably never will be, but if he had been or if he will be, when walking along State street he could have noticed and might notice at No. 80 the largest carpet warehouse in the city, over the entrance to which is suspended a sign which reads, Howe & Rogers, Wholesale and Retail Carpet Dealers. One of the oldest and most trusted employes, who has been with the firm almost from its infancy, is Mr. John Hathaway. It is not likely that the reader knows him personally and he might never have heard about him unless introduced through the medium of this newspaper, but as he courts inquiry on the statement published below and will cheerfully answer any correspondence, the experiences therein given can be depended upon as being thoroughly reliable. Read it.

"I have been troubled with my back for several years, not all the time but it was off and on. I thought it was from my kidneys for I had not only backache but lameness across the loins, and a weary feeling and loss of energy. There was also at times an annoyance from the kidney secretions and I was afraid it might be Bright's disease. Hearing about Doan's Kidney Pills I thought I would try them and got them at a drug store. I found them just suited to my case. They promptly stopped the gnawing aching in my back and acted like a tonic by invigorating me in every respect. I am quite free from all the annoyances and pain which I had been suffering."

For sale by all dealers, price 50 cents per box. Mailed by Foster Milburn Company, Buffalo, N. Y., sole agents for the United States.

Remember the name Doan's and take no other.
