If Aguinaldo is wise h will call in i igton, as it is more likely to do hit harm than good.

- It-is said that newspaper talk about 🔠 dealera in all civilized countries. creased the sale of refrigerated bee, which is not surprising.

bill to increase the regular army, not? only fought the Spanish war over again, but fought wars unheard of.

Englishmen are putting considera ble money into Cripple Creek mines, which we hope will bring them better \ DENTISTRY returns than some American mines they have invested in.

If a Nicaragua Canal bill differing widely from the Morgan bill, which has been passed by the Senate, be re ported to the House, the country will understand it to mean no canal /

this session.

Prof. Short may be right in his prediction that electric passenger trains will be run at a speed of 175 miles an hour, but we know at least one man who will refuse to be carried that fast even on a pass.

period. The first of the celebrations to be pulled off will be at Washington Cloth sent anywhere. Address next May, which will last three days. WINCOSKET CO. (12-N. Y.) Boston, Mass... | Cure for la grippe," Pleasant & Ohio is preparing for a six months celebration at Toledo in 1902 or '03.

It is gratifying to note that the rep. utable papers of the country are giv ing the prize fighters less free advertising than usual. That class of matter can be still further blue-penciled with benefit to the newspaper readers.

There are persons who are in doubt of the benefit to Gen. Wood, who has so successfully governed the Santiago district on his own judgment, of the presence of the legal adviser who has been assigned him by the administra tion His common sense has advised him all right.

The Hartford Courant wants to have the United States Constitution made one of the text books to be used in the public schools of Cuba and Porto Rico, which sloud be emended by compelling every candi. Congress to pass an examina

on us the Constitution.
