Old Love and New Repartee.

People are smiling at the little passage at arms which took place between two young women at a luncheon the other day. One of the women is a beautiful blond, a bride, and she comes from the south. "Oh, yes!" went on the bride. "I've been through my husband's desk. and I've read all his old love letters. I found several very warm and affectionate letters from you, and I enjoyed reading them ever so much."
