LETTER TO MRS. PINKHAM NO. 12,733] "I am very grateful to you for your indness and the interest you have taken in me, and truly believe your medicines and advice are worth more to a woman than all the doctors in the world. For years I had female troubles did nothing for them. Of course I became no better and finally broke down entirely. My troubles began with inflammation and hemorrhages from the kidneys, then inflammation. congestion and falling of the womb and inflammation of ovaries.

"I underwent local treatment every day for some time; then after nearly two months the doctor gave me permission to go back to work. I went back. but in less than a week was compelled to give up and go to bed. On breaking down the second time. I decided to let doctors and their medicine alone and try your remedies. Before the first bottle was gone I felt the effects of it. Three bottles of Lydia E. Pinkham's Vegetable Compound and a package of her Sanative Wash did me more good than all the doctors' treat-
