responsible for any statement made by an advertiser over his or her own signature. There are always things They Should of general interest that Be Published, could they be known

would create a community interest and arouse a feeling of that could not otherwise be created. Our village is an incor porated organization. Every tax payer holds the same relation to village life and interests that a stock holder holds in any corporate body. These holders of stock look to the directors of the company to keep them informed of the doings of the compa ny. The village has a Board of Trus tees. They presumably hold meetings, undoubtedly they do business for the interests of the taxpayers, but who knows anything about what they do or when they do it? Once a year a, statement is published, but there evi of the proceedings of the Board of !. Trustees after each and every meeting. The work and doings should be made, public not because of fear that any of the present Board would or will do ) wrong but that thru publicity every taxpayer may know and have interest in the work that is being done and know at stated periods what the money! is being spent for and who receives it. methods and let the public know just; what and how the village business is being transacted. Such a course will mand and if they be allowed to spend | President Roosevelt has decided upon | have a twofold benefit. It will give ! amusement night after night the fault ministers in the diplomatic service. an opportunity to any who may wish to be present at the meeting of the may be placed on the door steps of Board to protest or explain, and then; those who by an exercise of authority STATE OF OHIO, CITY OF TOLEDO 1 St too it will create an individual interest firmly yet kindly might be the means! NEW SILKS

Every department is rapidly filling up with New Spring Merchandise. This week several new pieces of silk arrived. We now have all the Newest shades in taffetas, Japs, & etc., etc.

We have a specially strong line of Black Silk. We would mention particularly the " | 👺 yard wide Peau-de-soie which was one of 🚴 the latest arrivals.

Some New Kimona Hankerchiefs also deserve special mention. The patterns are specially attractive.

More Trunks, Traveling Bags and Suit Cases, also came this week. We are prepared to supply all your wants and guarantee & prices to be right.
