In fact all the seasonable · meats may be had at the lowest living prices, We Germ theories Coats, Waists, Skirts, Rain Coats ar. solicit your pateronage.

# COATS.

The Rain Coat is one of the most servicable of garments. It serves a double purpose, as a protection stormy weather and as a light, comfortable wrap for this season of the year, when the heavy winter coats are uncomfortable. We have just received some new spring styles in these coats for both men and women. You will never be without a Rain Coat after you have once worn one. They are inexpensive, too, let us show you the new ones.

## DRESS SKIRTS and SHIRT WAIST SUITS

The spring Dress Skirts are here and we have a LOT of THEM. The best assortment we've ever had. They are decidedly upto-date in style, and made from materials that will be most worn by the well dressed women during the Spring  $\operatorname{KL}$ and Summer Seasons, A very attractive line of Waist Suits are also among recent arrivals. They have been selected with unusual care as to style and materials and no two are alike. We shall be glad to show them whether you intend buying or not.

#### WASH GOODS.

If you have not looked through our Wash Goods department recently it will pay you to do so. Some of the handsomest white waistings we've ever seen came this week. White linens for waist suits, plaid silks, etc.. etc. We cannot mention all the new things but in many larger towns you'll not find a better showing of these goods. We shall do our best to satisfy your wants in this line. If we havent what you are looking for we will get it for you if it's to be had.
