N some conditions the gain from the use of Scott's Emulsion is very rapid. For this reason we put up a fifty-cent size, which is enough for an ordinary cough or cold or useful as a trial for babies and children. In other conditions the gain is slower—health cannot be built up in a day. In such cases Scott's Emulsion must be taken as nourishment; a food rather than a medicine. It's a food for tired and

weak digestions. Send for free sample

# Jonderful Bargains in the Big Store. Carpets and Rugs.

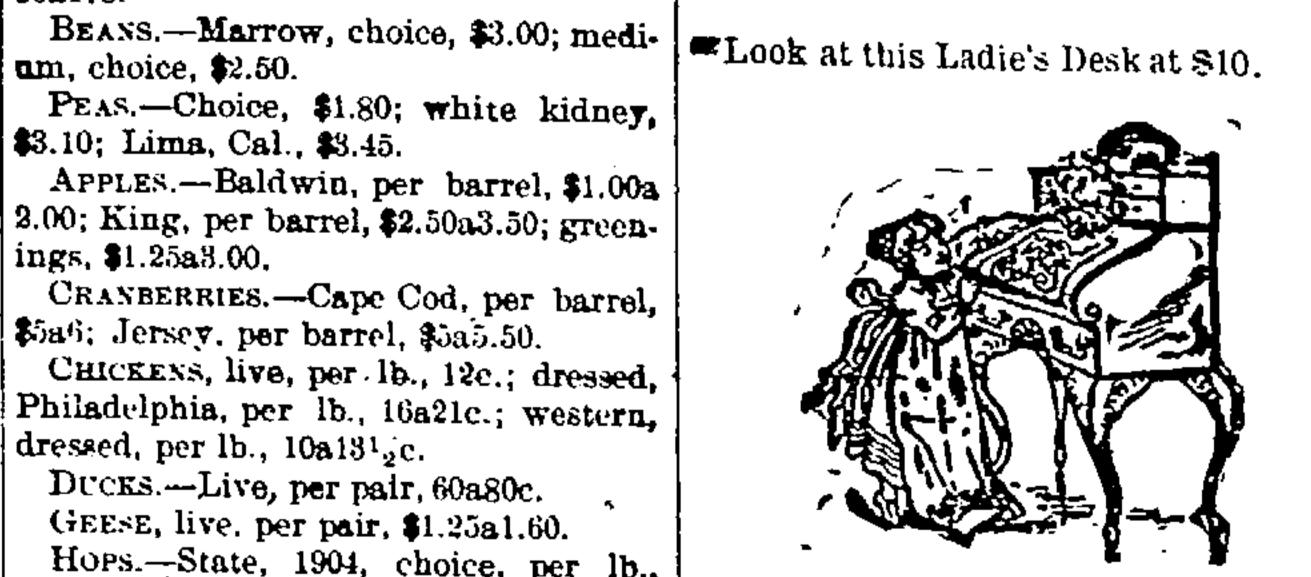

It has grown proverbial for the big Wooster store to do unusual things; to offer the public grander opportunities than are possible elsewhere. Right in keeping with such efforts comes the GRAND SALE of

CARPETS AND RUGS.

We were recently offered some splendid values in the floor covering line, from a large but over-stocked merchant who appreciated the magnitude of our selling capacity. We secured our pick at prices that enable us to hand these fine Carpets over to you at less cost to other dealers. A few prices: A Velvet Carpet ut 60¢ made by hand. An Extra Velvet Cerpet 92c made by hand. And it is the exclamation of every woman that purchases one of these Hand Made Carpets, "Oh they are so smooth and the quality which gives such lasting service!' This fully accounts for the continued increase in our trade.
