seen in the things the unlooker would call perfect. Andover has every reason to be proud of her record of improvements during the three years past, for no other village in the southern frontier has shaken off the lethargy and proven itself more progressive than has this, and yet it must be remembered that if the spirit of self satisfaction is allowed to control, all of the work of the past will be undone. No village has better sidewalks in a large portion of the village These are all that could be desired. Yet there is Rochambeau Ave., no walk has yet been laid. Why not? Very soon the good weather will be a \$\\$1.00 TO thing of the past. Did it ever occur to you how dangerous the openings | are in the Main street bridge at the lower end of town? Some day some! child will wander off and fall thru the openings into the creek below. At whose door will the fault lie? One; other thing, half of the beauty of the houses in the village and the lights on the streets are hilden because of the dense growth on the lower branches! of the trees.
