Gowns fitted over this gracuful garment have a Leroy Brundage perfect set and exquisite perfection of shape. The Nuform is made on curving bias lines which follow he modeling of the human form. Built with deep goers at bust and hip so that the corset can hold firmly to the figure without inflicting strain or pressure. A special model for each sort of women.

BROTHERS.

Price \$1.00.

### Sale of Ladies' Winter Coats.

Another lot of Ladies' Coats came this week. This puts our stock away ahead of anything that we have ever before attempted in this line. The best sellers from three of New York's lead--ing manufacturers, priced from \$5.00 to \$20.00. Every leading style for this season is represented and no two are alike. We have marked them all at very low prices—a third lower than you would have to pay out of town. Just come in and see them.

## Special Offering of Furs.

Our purchases for this season excell in both variety and quality. We show all the favorite Furs in all the correct styles.—The long Pelerines and Satin lined Stoles; The Scarfs and Brushtail Boas; The Shawl effects and Cravats. There are scarcely two alike so the early buyers get the best selection. The special prices will make quick selling.

### Ladies' Shoes.

Reed's \$2.50 Blucher Kid for fall is a beauty—possessing the graceful lines of a three dollar shoe-comfort, too, in every pair. Some new "Arline" styles came this week. They're snappy shoes at the price-\$1.50.

FOR THE WEEK ENDINGFRIDAY, NOVEMBER 10, 1905.
