OUR KLYNOTE:

4 There's Not a Way, Cut a Way

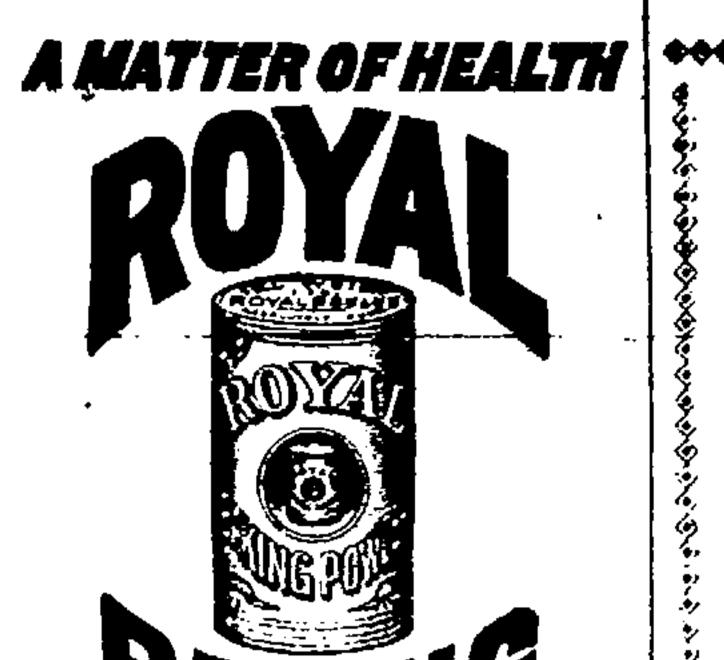

Foot ball and college A Dangerous hazing may have had Sport. their place in college life a few years back but HAS NO SUBSTITUTE there is one thing education is doing, if not any other, and that is bringing [

free from alum or phosabout atchange of sentiment in regard ROYAL BAKING POWDER CO., NEW YORK. to the sports above named. College hazing is right in its place when distleir newly acquired liberty, but if that vested of all barbarous treatmen that feeling is permitted to develop int endangers life or limb. On the same contempt for authority and law there list may be placed the foolish tricks, is danger that the experience of France practiced by some college fraternities, in her great revolution may be rein the initiatory work. One young peated in Russia. Anarchy, when man in the middle west recently gave ever shown, is a menace to good govhis life a forfeit to the "tool play" of a erument and Russia can crush it with lot of wise alics of a fraternity. Foot a hand of steel while at the same time ball may be classed as a sport, there she will keep the people in their right is something in it that answers the according to the recent proclamation brute in man and it is well that there of the Czar. is a widespreading sentiment that the game be abolished. Every issue of the daily papers has a record of in jured or killed, the result of foot ball . Hall's Catarth Cure. F. J. CHENEY & Co.

So alarming has become the results their students cease their play and and fin incially able to carry out any obligations others will undoubtedly follow. But made by his firm. the greatest. She was 19 years of age. Take Hall's Family Pills for constipation. and has the honor of being the first martyr to the gentle game of foot ball, among women. Miss Paker was a. FULLLINEOF well developed girl, fond of athletics. A short time ago she participated in a fee game of foot ball and naturally was. FEED STUFF, to injured. Now she is dead from per i itonitis caused by her injuries. Herfriends wa'l mourn ber early death, but the wonder is what a woman was ---doing on the foot ball field. A more indelicate and dangerous occupation;

for one of her sex could not well be BUCKWHEAT MIDDLINGS, found, unless it would be around the PRICES RIGHT. strife and carnage of the battle field as a soldier. Parents who will permit, such a violent wrenching of their daughters from the proper field of in- Geo. E. Brown. terest and activity are themselves guilty of the moral and physical consequences which tollow it. ***************** Events in Russia crowd

Anarchy in ing fast one upon the Operation. Other have shown what the results are when the restraints of authority are withdrawn The lawless element in Odessa have indulged in a wild carousal of savagery ! and the conservative, espectable classes are temporarily overawed by the vici us an 1 lawless. All this has been very depressing to the friends of freedom and self government but it cannot be a surprise to any who have any true understanding of the situation 🗽 in Russia. Years and years has the will of the Czir been the will of the people. The "Little Father" has been the autocratic ruler of the people ! in every sense of the term. They have looked to him for their help.; True it is that during the last ten years or less agreators, laborers and others have been arousing sentiment and causing the spirit of unrestrand revolution. In a stroke all restraint has ; § been removed and it was expected that ? the excess of joy might cause some lawlessness, but certainly were the friends of needom alarmed at the unexpected demonstrations of an i archy. Naturally Count Witte and the Emperor are reluctant to recur to the old methods of autocracy. They have indeed shown remarkable toler ' ance for the fiendish excesses in which; the populace in some places have in ! dulged, but they must act soon if they; 🕏 have not at the time of this writing. They must act with vigor. Enforce ment of law, the demand of order is ! " the fundamental to successful self gov Russia's future as an inde pendent, monarchical government as a republic depends upon the exercise of rightful authority and the demand of compliance with reasonable laws 3 It was wise no doubt to allow some o the feelings of the masses over
