Foot ball and college A Dangerous hazing may have had Sport. their place in college life a few years back but there is one thing education is doing, if not any other, and that is bringing about a change of sentiment in regard to the sports above named. College brute in man and it is well that there of the Czar. is a widespreading sentiment that the game be abolished. Every issue of the daily papers has a record of in jured or killed, the result of foot bal So alarming has become the results that several colleges have ordered that chene others will undoubtedly follow. But i made by his firm.

and has the honor of being the first martyr to the gentle game of foot ball; among women. Miss Paker was a well developed girl, fond of athietics. injured. Now she is dead from per itonitis caused by her injuries friends will mourn her early death, but the wonder is what a woman was doing on the foot ball field. A more indelicate and dangerous occupation found, unless it would be around the strife and carnage of the battle field as PRICES RIGHT. a soldier. Parents who will permit such a violent wrenching of their terest and activity are themselves guilty of the moral and physical consequences which tollo v it.

Events in Russia crowd-Anarchy in ing fast one upon the Operation, other have shown what i the results are when the li restraints of authority are withdrawn 1 The lawless element in Odessa have: indulged in a wild carousal of savagery la and the conservative, respectable classes are temporarily overawed by the vacious and lawless. All this has been very depressing to the friends of freedom and self government but it cannot be a surprise to any who have any true understanding of the situation in Russia. Years and years has the will of the Czar been the will of the people. The "Little Father" has \$\overline{\phi}\$ been the autocratic ruler of the people; in every sense of the term. They have looked to him for their help.] ? True it is that during the last ten years or less agutators, laborers and others have been arousing sentiment and causing the spirit of unrest and revolution. In a stroke all restraint has been removed and it was expected that ! 🧖 the excess of joy might cause some lawlessness, but certainly were the friends of treedom alarmed at the unexpected demonstrations of an archy. Naturally Count Witte and the Emperor are reluctant to recur to " the old metho is of autocracy. They? have indeed shown remarkable toler ' ance for the fiendish excesses in which the populace in some places have in ! dulged, but they must act soon if they; have not at the time of this writing. They must act with vigor. Enforce ment of law, the demand of order is 7

the fundamental to successful self gov

ernment. Russia's future as an inde !

a republic depends upon the exercise

of rightful authority and the demand
