MY J. HARVEY BACKUS. MOKER N. Y. JAN. 19, 1906

OUR KEYNOTES. M there 's not a Way, tet a Way Copy for change of display advertisement well as Congressman Van Duzen, his traveling companion, and says; "Congressman C. D. Van Duzen and E. J. Ong Dollar will be charged for a card of Dean, a Scranton, Pa., millionare, ar-Rates for space advertising made known on application at this office. Five cents a line, each issue, will be charged camps of Southern Nevada. 1

Hon. Jesse S. Phillips stated without hesitation that their was signally honored in purpose at this time was to look int him in committees by view to making further investments. Speaker Wadsworth.

is evident that Mr. Phillip's long ex. ing further investments in Nevada, perience makes him an important Congressman Van Duzen said: helper to the majority in the legislative session and of course whatever benefit may accrue may be for the good we will visit Goldfield and Bull Frog. | IIIUII JUIIUUL I of his constituency. It is as we have We are considering a proposition tooksaid such men that are needed in this, ing to the erection of a large hotel at perhaps the most important session Goldfield and will study the conditions that the legislature has held in many there on our arrival. We also have years, and the work of the body will in view the erection of a Stamp Mi be watched with the 'keenest interest, at Bull Frog." and if one may be permitted to judge from expressions heard, the people are in no mood to put up with any, but clean cut, decisive actions in laws -bodies, these the people will look for and will undoubtedly call strictly to

these malters. Allegany is to be conis true to his party interests he is if dependent in action and always alive 40 the interests of his constituents _____ . Minding ones own bus:-Mind ness might be consid

account any who interfere or block,

by parlimentary tactics, their will in

Tour Own ered from the stand Business, point of careful servative reasoning and yet it may be carried to such an extent as to be hurtful not only to the individual but also to a commun In illustration, some careless, thoughtless individual may do that which may prove a menace to public health, heaps | of dirt and refuse may be allowed t gather, it becomes offensive, odorous and a menace. Sometimes those who suffer, either from fear or policy sake, ! endure, saying perhaps there are of ficials; it is their duly, let them attend to it. "I will mind my own business." That's the harmful spirit. No one has a right to keep still when knowledge is possessed that would, if given, help health and peritaps even save life. That's minding one's business to the hart of one's self and others and might | Le classed in the catalogue of criminal

negligence: However, there are times when one would better 'mind their own business." Men spend years often in pursuit of a business enter prise. It has become for them the study of a life time. They know its details. They are capable because of that knowledge. Often some other .one with little or no knowledge takes à look, sees something they do not unilerstand and then commence to tell how it should be done, and criticise management and what not. such cases it were better to mind your own business, for it is evident that nagged, discouraged men cannot work 7 as effectively as men who know the confidence of the proper is theirs and that they are pushing. By all means look the ground over if you can help! *== nother its your business to do it, but if its to work injury to another and to a community min ! your own business. Notice! During my absence at Albany my

law office will be open daily and in charge of Paul T. Robatts, Esq., a ~competent attorney whose services I have secured during the Legislative and a section of 1906. All of my clients and all other persons desiring the transaction of any legal business or having collections, can leave same at matters will be attended to properly Lhope to be in the office frequently and will endeavor to give all legal mailers my personal adpervision.
