Few ; people give the matter further thought than that they are "cunning little fellows" and a "fine thing for the children." They are a fine thing for the children and also for the adult, especially so when it becomes known that there is a general demand at a higher price for these pure blooded Shetlands then there is for heavy draft horses. ### GOOD BREAD FLOUR

We invite a trial of the Universal Best Flour. It is a blended flour made by a miller who ground wheat for over 8 years in the Pillsbury mills at Minneapolis. Since he is now making flour for himself it is certain he will do his best. This flour without any particular effort on our part has attained a very good sale. We beleive the house keeper who tries UNIVERSAL BÉST will be well pleased with the results.
