ONE KEYNOTES

W there is not a Way, Cut a Way

coming more and more

of the opinion that much in the present system of our public schools is to be commended while there is also The Way of the ber of men were arrestsomething to be criticised. For in stance, not enough attention is given to the primary subjects or funda that work is not thoroughly done in onment. They had violated the law Will there come a day of retribution, of her members who can, will supermers, the result being that most that work is not thoroughly done in onment. They had violated the law will there come a day of retribution, of her members who can, will supermers, the result being that most the come and the co the primary departments for it is, but, and when given time to reflect we There may be forgiveness in the blood intend the work and help to make the persons who used it were polsthe system of counts, or rather the de- have no doubt that they concluded that flows from Calvary, but there is a life bright and happy for the visitors, oned. of instructors to get counts for that the words of the wise men are law inexorable in the world, the soul),

ing village, and the examiner had giv -en a high mark. While the work showed merit there was poor spelling! and penmanship that was abominable. It was perhaps an illustration of the fact that in some schools scholars are TRBLETS! crammed for regents counts rather than for the purpose of giving them a 7 complete and full knowledge of those 7 -branches-which go to make up a fuit, .rounded education. It is probably no . fault of the teachers, it may be that! the system is wrong.

A few weeks ago we - made the suggestion in ' Get at It? these columns that it! anight be a good thing to have a "getting together" of the various interests of our village life at a banquet to keep alive the spirit of progress and thus further the interests ' of our village life. The suggestion met with much tavor judging from the remarks that have come to us. Now, why not get at it? Other villages have ' ing their "Business Men's Associa tions" have their annual gatherings and it does much to foster the spirit of enterprise. We need such a gather. ing to stimulate interest. Many o' those who were the pushers, have gone out from us. New blood is here. This new material would be benefited by such a gathering, arousing their interest in our community interest and za wenaking men who will aid in pushing Andover's interest, li's a long way from the interests of the living to the state of the dead, but not so great a the However, one of the willage needs is an incorporated ceme-
