We want your Shoe business, and are in a position to make it worth your while to give it to us. Owing to the advance in the price of leather Shoe manufacturers have either advanced the price of Shoes or taken the difference out of the Shoe, making a cheaper article. We bought before the advance in prices twice as many Shoes as we usually buy for Spring and Summer. A visit to our store will convince you that we have by far the largest stock of Shoes ever shown in this town. They are the Reliable Kinds too, every pair honestly made throughout. In men's Shoes the "Genesee" and Autocrat" at \$2.50, and the "On-Top" at \$3.50 in this season's newest styles, and the best Shoes to be found at the price. In women's Shoes we sell the Lincoln "Astoria" at \$2. This Shoe has made a reputation for itself in Andover and vicinity. It has more style and wears better than any Shoe at the price we have ever seen, and every pair is

## GUARANTEED TO GIVE SATISFACTION.

The "La Mode" is a \$3.50 shoe. We sell them at \$3. Compare them

with any \$3.50 shoe you can find. We also sell the "Lincoln School Shoes" for the youngsters. They have no paper insoles or counters. Every pair is honestly made, and they are also guaranteed.

It's a little early for Oxfords, but we have the best line of Oxfords ever brought to town, including some handsome styles in the white ones that are bound to be popular this year

If you are not give of our regular shoe customers we want one chance to prove to you that all we say about our shoes is true. We give with every pair of shoes you buy of us this guarantee, and we will stand back of every word of it. If the Shoes you buy of us are not as represented and don't give the service which they should give at the price we will make it good. This is certainly a fair proposition. Afte. years of shoe selling we have been able to select the best. If we were not sure that we had the best we should not dare give the guarantee that we do with each pair. Ail we ask is one chance to convince you that it is to your advantage to buy your shoes of us.
