Mrs. Snyder won in the contest and the "Woman's Journal" for the year was given her by Mrs. Burrows. Later the members upon Mrs. Thompson's side entertained the "Winners" at a shadow party.

Several executive and special meetings have been held during the year and many letters sent by members pertaining to matters of legislation. For the first time since its organi zation, we believe, the Lucy Stope Club has been called upon to mourn the loss by death of two members in one year and in our next year-book we must add the names of Mrs. R.
