HE National Cigar Stands have taken cigars out of the class of expensive 1 Tuxuries. They save smokers nearly one-half their cigar money, and give

them better-made, better-kept and better-quality cigars besides. Tobacco itself is not immensely expensive. The great cost of cigars has always been in the wasteful way in which they were sold. No other merchandise of such common use passed through so many hands and was loaded with so many profits between producer and consumer.

The National plan reduces cost, not by reducing quality, but by cutting off all the "lost motion" in handling and all unnecessary profits. National Cigar Stands' cigars. come to you straight from the producer.
