HEALTHY LIMITS which yield from \$5,000,000 Let us consider the possibilities The millionaire who feels that he he Van Curen factory in Kilbury must pass the bulk of his wealth to heirs has a task that requires originality in arrangement. A wealthy father puts his son's wealth in trust till his thirty-second birthday, allowing him the small woke him up. He had been dreaming sum of \$2,500 a year. An indulgent mother raises his income t of a flood in the creek and of the diffi- \$80,000 a year. HE IS NOW A RUINED MAN.

We are going thru culty of crossing the stream, and The three methods of relief sometimes proposed are: An arbi-pretty apt to be something the OF ALLIKINGS. when he woke suddenly in the water. trary limit to the amount an individual may accumulate, progressive matter, either with the Pianos or taxation of incomes and progressive inheritance taxes. Where should the story about them. The buyer

The limitation is repressive, and is meant to be so. It would put \$200 worth, no more, generally under no license. Last fall the for him was in his bedroom. He met a premium upon RELATIVE INEFFICIENCY and deprive so less. No one is in business to lose A progressive tax on incomes HIGH ENOUGH to accomplish

the purpose aimed at has the same disadvantages. There is left the progressive tax on inheritance. As a tax measthat Policeman McDermott did not ure aiming at revenue I approve of it. It is easily collected. As a Baldwin Music Store,

the laws. Scarcely three months have been easy to explain how he To accomplish the purpose the rate must be VERY HIGH. A tax have passed by, and judging from came to be roaming about in his bare heavy enough would involve a problem of administration. Even so low a rate as 30 per cent would mean a tax of \$15,000,000 for every

estate of \$50,000,000, and there are now many fortunes of that size. There are said to be fifty men in Pittsburg alone whose fortunes EXCEED that amount, and in the case of some well known fortunes the tax would amount to upward of \$43,000,000.

The greatest objection is the encouragement which the heavy taxever enforces itself. It needs the the State August 18, 1906, for the fol- ation of the wealthy will give to extravagant public expenditures. man behind it. And if we are not lowing positions: Appraiser of Forest Our federal financial machinery is so organized and our sources mistaken the man was promised. Lands, \$600 to \$1,080; Assistant Civil revenue are so arranged that it is WELL NIGH IMPOSSIBLE. Where is he? That's the question Engineer, \$5 to ,\$6 a day; Assistant check extravagance. Greater financial responsibility is one of the Prison, \$3,50 a day; Assistant State first requirements of good government. It is a maxim of public nent to the situation. White holes, Librarian, \$1,800 to \$2,100; Fireman finance that those who spend must be HELD TO ACCOUNT 1

It needs an aroused citizenship to Agriculture, \$1.200; Inspector in Black- WHO PAY ARE HELD TO ACCOUNT BY THOSE WHO SPEND.

By EUSTACE MILES, Famous Physical Culturist THE ART OF TODAY DOES NOT REPRESENT THE GIRL OF TODAY.

On the whole, artists represent other nature studies bet \ \ \ \ \ \ \ KEENEY'S ter than they do man and woman. The ideal human being has still to be painted IN EITHER SEX, and, as regards woman, the conventional style prevents any possibility of her being portrayed 🗓 as ...e really is.

Athletics and many forms of exercise have made the modern girl's objections the reason a sufficient number of eligibles for As- figure different from what it was twenty or thirty years ago, but for granting women suffrage are so sistant Civil Engineer, Leveler, Trained artists still take as their models the CONVENTIONAL FORMS

## Commercialism In Colleges By Rev. W. A. BARTLETT of Chicago

T is noticeable that quite a proportion of college presidents and other commencement speakers this summer have lamented the spirit of greed which is seen in business, government and life generally. But these educators do not have many STRONG terian church at Far Rockaway, Long | REMEDIES to suggest for this condition. It is my belief that the spirit of many colleges and universities is becoming so commercial woman's ballot. We assert that if was conducted by Rev. Andrew Hege that it is not to be wondered at if the students in those institutions man, D.D., assistant pastor of the Col- go out with the idea that EVERY MAN IS WORTH HIS there was no argument other than legiste Reformed church of New York, this is enough. The home is assisted by Rev. Robert G. Leetch, pasthe woman's fortress, and she will tor of the First Presbyterian church, he spoke of the lack of RELIGIOUS TRAINING in the colleges

of the country as one of the great defects in our educational system. There are in New England institutions, founded as purely religious and benevolent training places, which are now dominated by a man must be trained to make his way.

-SUNDAY SCHOOL, BECAUSE THEY ALL WANTED PAY.

This is due in part to the tremendous expense of living in such a But it also grows out of a FALSE CONCEPTION of life.

By ANDREW D. WHITE, Former President of Cornell University HILE ambassador to Germany a number of years I learned the Germans were suspicious of American meat products. When I attempted to remedy the defect a great Chicago packer LAUGHED, AT ME. A Russian minister of the interior, too, once told me that the practices of American meat

companies were too corrupt to be tolerated EVEN IN RUSSIA. The bad repute of our milroads as regards safety is the reason so few Europeans visited the St. Louis exposition. Our railroads kill a comparatively larger number of passengers than those of any other country, chiefly because money that should be used for modern equipment is put into WATERED STOCK.

OUR LEGISLATURES SHOULD INSIST UPON COMPLETE PUL-LICITY AND ACCURACY IN RAILROAD REPORTS AND THE BEST POSSIBLE EQUIPMENT.
