2. J. M. BRUNDAGE, Report of Actual Conditions Published Quarterly.

### The Loose Change In Your Pockets Will Start a Bank Account.

Deposit with the bank and pay your bills by check. Your check book shows just where your money went and for what purpose. Your money slips away without any trace when you do not keep a record of your expenditures. A checking account records every item, saves time and trouble. It's

a great convenience. Your checks are returned to you when you have vour bank book balanced. You can have it balanced at any time. It should be balanced at least once a

The bank does your bookkeeping.
