Awako Club Members,

n an Illinois town of 8,000 population, where civic interest is not so aggressive as in larger communities, has devolved upon the women to provide a suitable place for the burial of the dead, says the Chicago Tribune. This task, a novel one when it is considered that housewives are the sole evers in the enterprise, was underaken a short time ago by the Woman's club of Watseka, the county seat of donation of twenty-four acres of land lying outside the town, they have become the owners of a cemetery now well along in the first stages of devel-

opment. With funds secured by subscription they have cleared away acres if underbrush and tanglewood and bave begun the laying out of roads and the installation of a water plant. it's by Illinois standards, but it has been of slow growth because of the lack of any

ployment to its inhabitants. It is in an agricultural district on northern edge of the corn country, and its weelthlest citizens are retired farmers wh "moved into town" after they had saved enough money to carry them well ' to the end of their days. Nearly all of them derive their income from farm lands in the neighborgood and none is called wealthy except secause of his property of this nature. The younger generation, such as remain at home; are engaged for the most part in purely local activities and have but slight opportunity of amassing

made, but it would not be reduced to It remains for local pride to show such an extent as to cause the Republitself in the fair sex, all of them with licans to lose much sleep.
