WILLIAM S. TODD.

Vindication for the Cooks Uncle Sam's school for cooks among w individual who brolls over the fire totle in his politics. in order that others may have broils pays its cooks well for merely tickling and the reactionary. the palate; but, however well paid, they new departure in the army makes cooking rank as an essential for manhood milding—in fact, as a science. enlisted man will learn to cook as he carns to handle sword and gun. The better he is as a cook the better he will The eat of the things concocted by his own

The government long since reformed the ration so that a veteran campaigner would not recognize it. Simplicity in preparation has been aimed at as new appliances added to the camp ou But, in spite of all, the food the comprovided. Proper cooking was not pos-

The old plan was to pick out from which these experts had used in civil Wife that fallures were the rule and not the exception. The lumber and fishing aging subject for its reformatory system. samp cooks and men from the ship's army supplies, but there were not and pans and mixing the components of a "layout" are to be taught in an araccomplishment to his stock in trade. In time every soldier will be rated as black mark for the delinquent. Then the crack shot of the company will take pride in the fact that he can make ard tack look and taste like Spanish omelet, put an appetizing brown of American plowboy who goes for a sol-Octa kitchen.

In Government Of Railroads"

railroads, in his testimony before the senate committee on interstate commerce and in his book on railroads re-SUPERVISION OF RAILROADS.

But the supervision and the regulation of the railroads are one thing and their OWNERSHIP is another and totally different thing. I believe in the exercise of the national power to REGULATE interstate commerce. I give to the interstate commerce clause of the con stitution the LARGEST POSSIBLE INTERPRETATION, but i does not follow from that that I should support the ownership of the railroads by the government.

I offered an amendment to the rate bill, and it now forms the first sentence of the law which includes within the jurisdiction of the interthought they needed regulation and supervision as much as anything this country and that they ought to have been included, but it does OWN THE BUSINESS of the Standard Oil company: I think we should regulate and control, that we should prevent so far as opoly secures from the railroads. I think that we should make then business with justice to the people whom they serve, but I do not think it would be wise for the United States to go into the business o refining oil, and I think the gulf that separates those two propositions | evening October 3rd in the presence 's as wide as it can possibly be.

If you place in the hands of the government the BUSINESS The bride looked lovely in her gown AGENCIES of the country, you confer upon it powers which alter its of pale silk trimmed with lace and entire character. It is not a question of whether the United States carrying white roses, while her bridesshould have those powers as against the states. It has nothing to do in white and carried pink roses. The with NATIONALISM OR SEPARATISM. It has to do with the groom and best man, Harry Smith. Urban's very essence of all government. Is it well for any government to take wore the conventional black. Miss possession of the business agencies of the country and run them? We know in what direction those policies point; they point toward

Dress Goods

Every season brings its new materials and colors. This limited space we are unable to display to advantage the season is no exception. We have by far the best showing of silks we have in stock. Few of the stores in larger entirely new and one of the most attractive we have ever Fashionable Dress Materials for Suits and separate Waists towns can show a better assortment. Ask to see them, new ideas in design this year that must be seen to and Skirts that we have ever carried. Among others are be appreciated. It's a pleasure to show these goods. I the new Broadcloths in all this season's popular shades. The shadow stripes and plaids in Serges and Mohairs priced from 40c to \$1.25 per yard. Most of these are in single patterns no two alike. Colors are greys, blues, greens and browns. Plaids are very popular this year. We have them from 12c per yard up.

Dress Accessories

In this department we are kept constantly in touch with the changing styles and new novelties as they are brough out by one of the largest and best dress accessory establishments in New York City. You will always find this department up-to-date and full of good things. We received this week | before prices advanced. We believe that we can give

1,000 YARDS OF EMBROIDERIES

1,000 YARDS OF NEW LACES

Laces and embroderies are used more than ever this season. We are well prepared to supply your wants. We have also this week. The materials are the best and they are just received new Trimmings, Ribbons, Collars, Belts, handsomely made. The whole lot will go at \$1.00. There Chatelaine Bags, Etc., Etc.

Silks

Silks are very fashionable this season. Because

Rubbers are high. We believe that they now cost more than they are worth. Nevertheless they are sometimes necessary and we have the best that we can buy We have one lot of odds and ends in boots and overs for half price. The new ones are Goodyear Glove, Mistawika Ball Brand, Woonsocket and Bostons The Mistaw aka Ball Brand Rubber Boot is the Best boot we have ever found. They do not crack and they wear well. W have all the sizes for boys and men, and they are new goods direct from the factory.

Outing Flanneis

Cotton goods are high, but our outings were purchased you better values and a much larger assortment which to choose than can usually be found in towns of this size. There are some very neat patterns and prices __are_rock_bottom-

Bed Blankets and Comfortables

Of all kinds. Prices from 59c to \$2.00 and \$3.00. Prices depend on weight, size, etc. We have many very special bargains in both blankets and comfortables.

Heavy Work Shoes

This line is full of good ones. Prices range from \$1.50 We haven't room to do justice to this Department | to \$4 00. The two leaders; one at \$2.50 and one at here. It is crowded with the best values anywhere to heavy shoes. A trial pair will convince you. Don The new styles are perfectly shaped. There is comfort has been weeded out. We will sell only GOOD SHOES are worth the money asked for them. If you buy a pair THE LINCOLN \$2.00 shoe for women has never been !! beaten and has very few equals. We have never seen gladly make it good. Isn't that fair?
