JAMES OWEN, President. G. M. BARNEY, Vice President. J. M. PRUNDAGE, Cashier.

Organized and Authorized in 1894 under the Laws of the State of New York. Operates under the Restrictions of the Banking Law. Safeguarding Depositors Funds. Report of Actual Conditions Published Quarterly.

**H**AVE your money in the Bank and pay your grocery man with a check. The grocer would prefer it. Each check is a receipt for the amount paid. By having a checking account at the Bank you are able to tell, at the end of a year, how much money you have paid out. You can tell, too, just where the money went and for what purposes. It gives you a complete record. A checking account is safe, simple and at all times convenient. It's one of the advantages furnished by modern banking.

Money to Loan on Approved Collateral. Interest Paid on Special Certificates of Deposit.
