No single ingredient contributes so largely toward wholesome, nourishing, agreeable food as Royal Baking Powder.

Royal Baking Powder's active ingredient, Grape Cream of Tartar, is the most healthful of the fruit products.

This is why Royal Baking Powder makes the food finer, lighter, more appetizing and anti-dyspeptic, a friend to the stomach and good health.

Imitation Baking Powders Contain Alum

"The use of alum and salts of alumina in food should be PROHIBITED. The constant use of alum compounds exerts a deleterious effect upon the digestive organs and an irritation of the internal organs after absorption. "

Carpets and Matting

—Several handsome new patterns in Ingrain Carpets and the celebrated Hodges Hofi Mattings have just arrived making our Carpet department a very attractive place for Spring buyers. All of these carpets were bought at old prices too and our patrons will derive the benefit. All kinds of Carpet have advanced in price. For same quantity we guarantee to save you from 5 to 15 cents per yard on Carpets purchased of us this Spring, for we are selling at last years prices. Our Carpet business has been steadily growing. We have never before shown so attractive a line. The Hodges Hofi Mattings are made in the most artistic designs, sewed and laid like Carpets, and will not break. They give more and better service than any other Matting made. We have several new patterns and at rock bottom prices. The Best Linoleums, Oil Cloths, Window Shades, Lace Curtains and Draperies are also features of this department worth investigating if you are interested.

The largest menufacturers of Shoes in the United States are the Hamilton Brown Shoe Co., of St. Louis, Mo. They make Shoes for everybody from the smallest 'tot' to the largest man. We have secured the Andover Agency for all Shoes made by this company. The "American Gentleman" and "American Lady" are two special lines made by this company and extensively advertised in all leading magazines and periodicals. Their heavy Shoes for Men and Boys are also the Best Shoes for the money that we have ever seen. We have received direct from the factory the new Spring Styles in both high Shoes and Oxfords. The styles are distinctive, neither conspicious nor commonplace. They will please you if you are particular about the kind of Shoes you wear. Before buying your Spring Shoes, either high Shoes or Oxfords, let us show you this line.
