SAVE LABOR

There's no good reason why you should spend day after day out in the field doing work by hand that you can do \

with a horse in half, or a quarter of the time. Save this time-make your horse help you-and you'll

be able to work more ground and raise better crops: Here are a few labor-savers that we know will interest you.

We'd like to have you call at our store and talk it over. We have two splendid lines on which

Shovel Plows we're making mighty close prices. The common Wing Shovel Plow, at \$2.45. The CALEDONIA, at \$5.00. Of course they're worth more money. Don't hoe by hand if you can hoe with a 🖡

Cultivators horse. A Gibbs 5 tooth cultivator will enable you to cover three times the ground you can by handyou'll do better work, and you're sure to make more money The Gibbs Cultivator has an adjusting lever and extra hiller blades. We're selling them complete, for only \$4.50.

Planet Jr. Tools are the greatest little labor savers to pour can find anywhere. The PLANET JR., lines include about everything in field and garden . tools, for hand or horse. Cultivators are just now the leading sellers, priced from \$6 to \$8.50.

We're the exclusive agents for this vicinity.
