A. C. FRISBEY, Vice President.

TO BE OR NOT TO BE

THAT IS THE QUESTION

poverty brings us or to succeed in life by starting a bank account and by regular deposits become well-to-do

succeed. The one way is to make a start by opening a bank account; even if it is small at first, it will grow. You will enjoy watching it grow.

A bank account is an excellent help to the man with a determination to save his money.

GOING to PAINT?!

We're paint specialists

We'll give you the benefit of our experience—not only assist you in deciding any perplexing problems about what colors to use—but we'll help you in select. ing paints that will stand years and years of wearpaints that will not be affected by the elements.

COLONIAL, PAINTS

Have a lot of good strong points about them, They're ground in pure linseed oil, and then reground. The proportions are exact—there's nothing left to guess work or chance, and the result is a paint that is exactly uniform, to-day, to-morrow or next year.

We have COLONIAL Paints for all purposes—out side, inside, for the roof or barn—in cans, ready-mixed, ready for use.

Colonial House Paint, by the single gallon \$1.60. In five-gallon lots, \$1.50. For the roof, there's nothing better than COLONIAL Roof paint, because it seems to stand the wear

much better than any other paint we ever sold. Of course, we have a full line of. Painters' Supplies-Floor Paints, Stains, Dils, Varnishes, Dry Colors, Brushes, etc.
