Admiral Evans in Consultation With Naval Officials.

RETIREMENT RUMOR A JOKE.

Change in the Personnel of Some of the Officers of the Fleet - Short

of the Atlantic fleet, arrived in Wash- and favor to Dr. Shoop and his Restorative. With out that original and highly vital principle, no ington yesterday and came directly the navy department. Secretary Methome by a slight ailment, the admiral 1 spent some time in consultation with 1

Acting Secretary Newberry. The admiral was looking in excellent physical condition; in fact, single glance at his weather-tanned Restorative Will make the SEASON OF 1907 to dismiss at once any idea that he might be obliged to apply for retire ment on account of failing health before the beginning of the Pacific cruise. The admiral himself was dis-, posed to look upon the retirement rumor as a joke.

The purpose of his visit to Washington, he said, was to spend about a week or 10 days in consultation with in relation to the approaching voyage of his great fleet. It is true that the itinerary has been |

worked out; that arrangements have been made to have all of the coal needed delivered to the ships at specified ports on the route; that all of the necessary charts have been ordered and that arrangements have been made for relieving and replacing all, of the short terms sailors on the fleet-men whose enlistments would expire before the vessels arrive at their destination on the Pacific coast. With all this, much remains to be William Mack of Rexville was in done to prepare the ships for the cruise not the least of which is the change in the personnel of some O. the officers of the fleet below the
