Richburg, Mrs. Cass Wildman of

var at 8 o'clock Saturday evening.

Don't make the mistake of buying a Range by mail, unseen and without trial.

Look in the ash p't and see that there is plenty of room for the circulation of air below the grate. This is important,

See that the fire box is wide, deep and a little longer than the oven is wide. Look at the fire box trimmings and see that the back is in sections, as they will last longer and not

warp if so constructed. The oven plates should be of steel and easily

removable, so they can be quickly repaired or replaced. THE JEWETT RANGE

has all these features and many more exclusive ones. Come in and let us show you one throughout, from top to bottom, then if it looks good take it home, test it for 30 Days and then if you are not satisfied that you have THE BEST RANGE IN THE WORLD

we will take it back. The trial won't cost you a cent,
