Switzerland and America

By EDOUARD MULLER, President of Switzerland. HERE are only two points on which the relations of Switzerland and the United States might be improved. These are the commercial and emigration questions, and they are mat ters which perhaps cannot be arranged by the United States Even people who have no money will ONESIDEDLY. We have an active trade with the United States as much as with France. Last year we exported \$5,000,000 worth of goods to the United States and received \$11,400,000 worth, but while we paid about 50 per cent of the value of our goods in duties we only The Atlanta Constitution hints that raised a very small import duty in Switzerland on American goods—

"In God We Trust" was pulled down about 1 per cent. Surely under these conditions a COMMERCIAI in order to give the "third term" the TREATY between Switzerland and the United States seems desirable.
