You know how difficult it is to pick out the right Christmas presents for a man; even if you ask him, he can't tell you -what he wants. There's a way to suit him perfectly; buy his Christmas presents in a man's store where men's thing are sold, the store where he buys his own stuff when he wants any.

This is the store for it; you'll find us prepared to show you the right things for any man's Christmas; you may be the man How would you like a Hart, Schaffner & Marx Overcoat? Say at \$15, 18.00, 20 00, 25.00 A little unusual as a I holiday gift, but all the better for that, maybe. Or a Hart, Schaffner & Marx Suit?

You'll find a great wealth of lesser things here, of course; things men want, need, constantly buy for themselves. Fine Neckwear, Cuff and Shirt Studs, Scarf Pins, Gloves, Hosiery, Handkerchiefs, Smoking Jackets, Bath Robes, Fine Hats, Umbrellas, etc., etc.

If you don't know his size and you can't find out without "giving yourself away," we'll exchange anything you buy that doesn't fit for something that does.

You can come pretty near suiting a boy here, too; boys like men's things especially.

gesture, which brought every man present about him. "It's on me," said Mr. ' Hoyt. Then he told his story. It was before the days of electric and gasoline motors, and he had bought a little steam yacht. He engaged as his ; engineer one of his Yankee neighbors and offered him liberal wages, with the provision that the engineer should find his own coal. It was a long way i to the nearest coal yard, and Mr. Hoyt i had all the trouble he was looking for to keep his own furnace fed. "But where shall I get the coal?" the new engineer asked. "I don't care," said the foremost of LAmerican stage humorists. "Steal it." i

So the bargain was struck. All went i

well until in the early autumn Mr.

Hoyt went into his cellar to see how

nruch more coal he would have to
