IT'S THE LITTLE FISH THAT BITE.

ing angle worm and run. That's what happened to the News the other primaries advocated by the Hinman be taken against you by default for day. We baited the hook for a fair szed trout, and a wee little min- Green Bill, has demonstrated his the relief demanded in the complaint. now took the bate all to himself; hogged it down and ran. Well it was good bait anyway, and we hope it did little fishy good. "It is the li. truth which hurts." "If the coat fits, put it on and wear it."

HOW ABOUT IT?

"What is your center of thought. Tell me that and I will tell | m you what sort of a person you are." Such were the words heard on the | 1. street the other day, and they awakened a string of thoughts that came lips has been trooping like the "jigglers" in the moving picture show. If self is your porter of the Hughes policies. centre you are in a very bad way indeed. Get out of it. Live for somebody elso as well as yourself. It will help the other fellow, too. from a poor boy has risen by ha When you hear, a man talking about 'My home,' 'my family,' 'what own efforts to a high position in L

for an egotist. He has a narrow vision. He's cramped. He is like experience an old gentleman, the writer knew in a country village, who went about bragging that the Sunday clothes he wore, was the same suit he bought 27 years before. What of it? Didn't he have a right to wear the same suit of clothes for twenty or fifty years if he chose? Of course he did and he had a right to be buried in them if he wanted too. But now about the other fellow, the Tailor? where does he come in? That man did not know he got salf centered. MONEY, was all he thought about. Now, with few friends, he wonderes why folks have gone back) en him. They haven't. They simply don't know him. He would office, and whenever he draws any mover take time to let them get acquainted with him. He was too busy. You can't afford to be too busy to make friends. Money is all right, for stormy days, but days are not all stormy. There are sunshiny ones, of his uniforms, there should be sevtop, and then friends, fellows, like the kind you ought to be, make eral dollars to his credit when dismighty good companions and do a heap more good than money. Make charged. On his following enlist ag at the News Office. friends while you can. Don't be selfish. Treat the other fellow right and remember that you are the other fellow to him.

THIS IS NOT A STRIKE!

who has the ability and wishes to, There has been introduced in the Legislature for the Supervisors of Broome County asking, or rather authorizing an increase in their) salaries. One of the arguments used was that the supervisors of licer he must remain in the service Broome County received less pay than any other county, except Alle- I Towest on the list and pays her supervisors the lowest for their services than any other like body in the State.

so spent counting him two off on the for a moment any idea that it is a CHEAP Board. No Sir. We would chirty required for retirement. Thus prefer to think that the spirit of public service and sacrifice, is thing. Of course, of course. But seriously and very seriously, the pays her public servants less than any other people. Somebody start the ball rolling. Let the Supervisors, in these times of high living
