30 Baker Bros. supplies	3.21
19 E. A. and Mary E. Richardson, tax rebate	13.48

SECURE CONTRACT FOR Y. M. C. A. BUILDING.

Wellsville and Andover Men Will Build New Hornell Building.

Contractor Scott Preet of this village in company with Mr. Elwell of Wellsville were the successful bidders for the new Y. M. C. A. building at Hornell. They are to be congratulated for this sign of appreciation and confidence in the firm's record as reliable and first-class workmen.

The Hornell Tribune has the following in regard to the building: "The work of construction is to go forward at once, as the contract calls for the completion of the building on or before December first, 1910. The plans and specifications as adopted are the result of careful study on the part of the local board of directors, and leading association men throughout the state. It will be remembered that practically all the modern buildings in this vicinity were visited by the committee and the plan finally evolved is stated by experts to be the most complete of any building of the kind and practically ideal in its fitness for the local conditions."

Through the careful study and work of the committee, Hornell is getting a building that is far superior in value, usefulness, and attractiveness than those of the neighboring cities where the cost has been from ten to fifteen thousand dollars more. All this has taken time and has meant a delay of a couple months, but several thousand dollars has been saved, and Hornell is to have a building that will be a second to none in cities our size and larger, first class in every particular, fitted not only for the present but for fifty years to come.

The building is to be practically five stories in height with four bowling alleys, billiard and pool room, locker rooms and equipped with four hundred lockers all in the first floor or basement. The basement plan having been kept well above ground in order to avoid dampness and to have plenty of light and air.

The swimming pool in the new building is to be the finest yet produced. While most swimming pools are placed in a deep, damp dark basement, the Y. M. C. A. pool is arranged in the nature of an annex, with a skylight overhead, and plenty of light and air on all sides. This pool finished in white tile and glazed brick will be one of the great attractions of the building. Adjoining it will be a complete system of baths with the office of the physical director in the front.

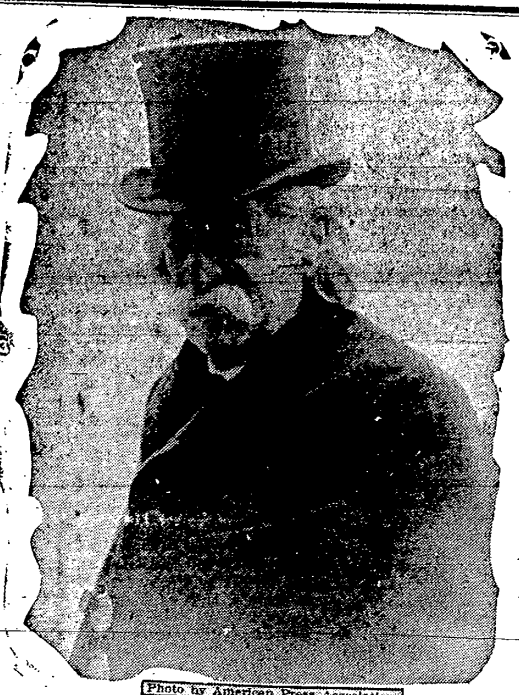

The large stone steps leading up the front will bring the visitor into the lobby, with social, reading rooms adjoining, equipped with open fire places and other attractive features. The general office will separate these rooms from the gymnasium in the rear, all the appointments of which have been carefully worked out, so that it is modern in every detail.

The architecture of the building is to be such that it will stand out as one of the most attractive buildings in the city, being finished in red face brick with white terra cotta trimmings and a tile roof in front."

June 13 J. H. Backus, printing	4.30
14 C. E. Brown, Mirror	.50
R. A. Bartlett, expense hiring teachers	9.58
Brundage Drug Co., supplies	32.88
16 J. S. Phillips, drawing contract	1.00
18 H. P. Benton, lumber	3.11
July 9 F. S. Clark, Treasurer water tax	61.46
Home Enterprise Co., Commencement Exercises	25.00
Baker Bros., hardware	1.25
Porter & Richardson, hardware	11.86
R. B. Hann, Clerks' salary and supplies	25.75
11 Bines Bros., draying	.95
Mrs. L. P. Crandall, laundry	5.65
A. C. Crandall, extra labor	5.00
Brundage Drug Co., supplies	1.80
Balance on hand	201.35
	6953.40

Respectfully submitted on behalf of the Board of Education.
B. B. Hann, Secretary,
F. W. Burrows, Treasurer,
Andover, N. Y., July 12, 1910.

The increase of work in our job department is the best evidence of its quality.

Melville W. Fuller, Late Chief Justice

ALLEGANY W. C. T. U. CONVENTION

Interesting Annual Session Held at Almond Last Week with Good Attendance-- Resolutions Adopted.

The Thirty-first Annual Convention of the Women's Christian Temperance Union of Allegany County, was held in the Presbyterian church of Almond, July 6th and 7th. Notwithstanding the remoteness of the convention town and the intense heat, the attendance was good and the interest in the temperance cause undiminished. The devotional exercises were led by Mrs. A. C. Rogers of Alfred and Mrs. Lincoln of Almond.

The addresses of welcome by Rev. W. W. Gushue, pastor of the church in which the convention was held, and by Mrs. Kate Sheffield of the Almond union were most cordial. Rev. Gushue paid the organization the high compliment of being a body of women that brings things to pass. Miss Ross responded to their words of welcome.

An interesting feature of the first session is the roll call of unions which was responded to by representatives of fourteen unions, all reporting much good work done in the various departments. The president's annual address was a very thoughtful paper, full of encouraging facts and helpful suggestions. On motion the address was received with a ringing vote of thanks and was also requested for publication.

The evening session was opened by a selection of music by the Sunshine Class of Almond. Mrs. Cella Hammond and Mrs. A. M. Taylor of Rushford led the devotional exercises. Miss Myrtle Makeley of Almond gave a recitation, "Grandma's Temperance Mission," in a very pleasing manner. The solo by Miss Ethel Middaugh was greatly enjoyed by all. Mrs. Effie M. Lambert, State Organizer, gave the address of the evening. Mrs. Lambert has lately spent some time in the state of Maine and the first part of her speech was on the topic, "How Prohibition Works in Maine." She said that Prohibition was never so popular in that state as at the present time. Forty per cent of the people of Maine own their own homes; in New York but nineteen per cent. The last part of her address was on the White Slave Traffic.

Miss Makeley and Miss Coleman, both of Almond, sang a duet, after which Mrs. Taylor made the collection speech which resulted in \$9.14 being added to the treasury. Benediction by Rev. Gushue. Thursday morning the devotional exercises were conducted by Mrs. Taylor of Almond and Mrs. Lambert. Reports of

superintendents and departments, and question box by Mrs. Lambert occupied the time until the election of officers, which resulted as follows:

President, Miss Emma Ross; Vice Pres., Mrs. A. M. Taylor; Cor. Sec., Miss M. E. Bowler; Rec. Sec., Mrs. E. B. Fries; Treas., Mrs. Helen Richardson. Miss Ross was chosen as delegate to the National Convention at Baltimore, Miss Arta Place alternate.

The principle feature of Thursday afternoon was an interesting report of the Middletown Young People's Convention by Miss Jennie Sherman of Alfred, reports of departments, and the report of the resolutions committee which was read by Mrs. Elnor of Cuba.

The following resolutions were adopted: WHEREAS, God in His all wise providence has led the Woman's Christian Temperance Union of the state of New York through one of the most successful and prosperous years in its history, we, in convention assembled at Almond, would express our gratitude to and pledge anew our confidence in our Heavenly Father, believing that the victories of the past year are indications of the final triumph of our cause.

Resolved, That as we believe that the "Star of Hope" of the temperance reform hangs over the school house, and that the public schools are the only place where all the children are reached, therefore, we urge greater activity in the enforcement of the Temperance Instruction Law.

Resolved, That, realizing as never before the great need of and benefit to be derived from outlawing the saloon, we pledge ourselves to earnest prayer and renewed consecration in no-license campaign and in every effort that will finally bring town, county, state, national and world wide prohibition.

Resolved, That as the awful havoc being made by the deadly cigarette should make us watchful for opportunities to educate the people in this respect, therefore we urge our unions to post the state tobacco law in schools and public places and to hold public meetings in the interest of this work.

Resolved, That recognizing the woman's movement toward political equality in many lands as an integral part of the world wide struggle for human liberty, we reiterate our belief that one of the best safeguards of the home is the ballot in the hands of the mother sex.

Resolved, That we rejoice in the unanimity of spirit manifested in the advance step taken in the interest of work for the young people and we emphasize the great opportunity for each local union to train up reserve forces through the organization of the children and young people.

Resolved, That the wearing of the white ribbon is one of the privileges of the members of the W. C. T. U. and because of its silent influence for purity and temperance, therefore we pledge ourselves to be more faithful in wearing this emblem at all times and in all places.

CLARK BOYD.

Word came to Andover friends Friday of last week of the death of Clark Boyd, of this village, at the Soldiers Home, in Bath. Mr. Boyd had been at the Home only about eight weeks. Death was caused by his advanced years, being in his 81st year.

Clark Boyd was born in Andover in 1830 and has always lived in this community. He was a mechanic of considerable ability, doing a large amount of watch, clock, and gun repairing and enjoyed the reputation of being very proficient in these lines. Living alone most of his later years at his home 1 mile south of this village.

Some three years ago, Mr. Boyd suffered a fracture of his shoulder, by a fall, and since that time has never regained his health. In order that he might receive better care he was taken to the Soldier's Home at Bath about eight weeks ago.

Mr. Boyd enlisted on April 10, 1864 at Elmira in the Civil War and was assigned to Company "H," 8th Regiment, N. Y. V. He was captured at Plymouth, N. C., April 20, the same year, and was a prisoner of war ten months and ten days, and was paroled, receiving his honorable discharge at Elmira, July 12, 1865.

Mr. Boyd leaves three sisters, Mrs. J. C. Cartwright and Mrs. W. B. Hall of Andover, and Mrs. Eunice Barber of Decatur, Michigan.

The body was brought to Andover for burial. Funeral services were held at the home of his sister, Mrs. W. B. Hall, Monday afternoon, conducted by Pastor Bacon of the Presbyterian church. Interment was in Valley Brook Cemetery.

REPUBLICAN CAUCUS.

Notice is hereby given to the Republican electors of the town of Andover, N. Y., to meet in caucus at the Village Hall in said town on Thursday, July 21, 1910, at 8 o'clock, p. m., for the purpose of electing four delegates to attend the Republican County Convention to be held at Belmont, N. Y., August 17, 1910 and two delegates to attend the thirty-seventh Congressional District Convention when held and to nominate two candidates for the office of Director of Education for the Town of Andover, N. Y., pursuant to law, and to elect a Republican Town Committee for the ensuing year and for such other business as may come before the caucus.

Dated July 11, 1910:
U. W. Stratton,
W. E. Snyder,
L. L. Bullard,
Republican Town Committee.

W. C. T. U.
The Woman's Christian Temperance Union will meet with Mrs. Laura Witter, Friday afternoon July 15th.

Mrs. Helen M. Brown will give a report of the County Convention held at Almond last week.

\$360 PER WEEK.
During the year ending May, 1910, the Rochameau Silk Company paid out for wages in Andover, nearly \$18,000.00 which shows a weekly average of about \$360.00.

ANDOVER HOOK AND LADDER COMPANY

New Organization Perfected in Andover to Fight Fire With New Hook and Ladder Truck.

Twenty-five young men having signified their willingness to become members of a new fire fighting organization, by signing a paper to that effect, met at the Village Hall Friday evening and organized the Andover Hook and Ladder Company with the following officers for the ensuing year:

President,—B. B. Hann, Vice President,—LeRoy Brundage, Secretary,—Ed. Carpenter, Treasurer,—Floyd Hann, Bert Sharp will be the chief fire fighter, while L. P. Crandall, and Fred Franks will be his right hand assistants.

The organization of a hook and ladder company is just what Andover needs, and we shall miss our guess if the new company does not make good should it be called upon to do work, which we sincerely hope it will not.

NEARLY 2000 GAIN.

Andover Free Library Makes Fine Showing This Last Year.

Mrs. J. M. Brundage, Librarian of Andover Free Library, reports that 8,324 books were loaned from that institution during the twelve months just passed, as against 6,649 loaned last year, showing an increase of nearly 2000 books loaned.

This is gratifying to the officers and members of the library association, inasmuch as it shows that Andover people are each year appreciating more fully their advantages in having such a fine Free Library.

We doubt if there is a library in Western New York, in a town the size of Andover, outside of a college town, that can make a better showing. All this is only made possible by the untiring and gratuitous work of the officers of the association. Andover people should appreciate this fact. The capable manner in which the work of the library is and has been conducted merits the hearty approval and support of every citizen.

MASONIC NOTICE.

A regular meeting of Andover Lodge, No. 558 F. & A. M., will be held at their rooms next Monday evening, July 18.

By order of
John Snyder, Master.

REPUBLICAN COUNTY CONVENTION.

The Republican County Convention is to meet at Belmont on Wednesday August 17th. The town primaries for the selection of delegates to the county convention are to be held on Thursday, July 21st. The formal call will be found in another column.
