HOW TO TREAT YOUR TOWN

INTHE STYPY

Improve it.

Talk about it. Frade at home.

Be public spirited. Tell of its business men,

Take a home pride in it.

Remember it is your home.

Tell of its natural advantages.

Trade and Induce others to trade there.

When strangers come to town use them well.

Support your local institutions that benefit your town. Look ahead of self when all the town is to be considered. Help your public officers to do the most good for the most

people. Don't forget you live off the people here, and you should help others as they help you.

Don't advertise in the local paper "to help the editor," but advertise to help yourself.
