Ask any one of the many women in this town who use it she'll tell you she "loves" it. Just look at her hair, and you'll come to us and get some yourself.

HARMONY HAIR BEAUTIFIER

Is just what its name implies.—Just to make the hair glossy, lustrous, more beautiful.—Just to make it easier to dress, and more natural to fall easily and gracefully into the wavy lines and folds of the coiffure.

It leaves a delightful fresh and cool effect, and a lingering, delicate perfume. Will not change or darken the color. Contains no oil; therefore doesn't leave the hair sticky or stringy. Simply sprinkle a little on your hair each time before brushing it. But first, make sure that your hair and scalp are clean, by using

Harmony Shampoo

-A liquid shampoo to keep the hair clean, soft, smooth and beautiful. It gives an instantaneous, rich, foaming lather, penetrating to every part of the hair and scalp. It is washed off just as quickly, the entire operation taking only a few moments. It leaves no lumps or stickiness.—Just a refreshing sense of cool, sweet cleanliness.—Just a dainty, pleasant and clean fragrance. -Both in odd-shaped ornamental bottles, with sprinkler tops.

Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both are guaranteed to please you, or your money back.
