### Moore's House ...Paint...

Is not a haphazard concoction, but a scientific mixture o high grade paint materials, put together by men who are experts at paint mixing and who have for their use the best machinery that the world affords for a thorough amalgamation of the product.

Every other paint on the market has been analyzed by Moore's Chemists and they were instructed to make a paint second to none.

So when you buy Moore's Pure Linaced Oil House Paint you are getting the highest possible paint value.

No painter's commission, no extravagant "Ladies' Home Journal" advertising is added to the price of Moore's Paint. It is equal in value to any \$2.00 paint offered.

We sell it for \$1.65 per gallon. This is Clean-up week. Why not make a good job it and Paint-up as well?
