Rare Offer of Bulbs of These Charming Flowers at Bargain Counter Prices—Read the Details

No summer-flowering bulb in recent years has gained such wide and deserved popularity as the Gladiolus. Its ease of culture, its wonderful and varied beauty of form and color render it a most fascinating and satisfactory flower, both for amateur and

, professional growers. Having more stock than I have space for planting, I make this unparalleled offer: For 50 cents I will send postpaid, 15 first size bulbs of the famous Groff Hybrids, assorter colors, and one first size bulb of the $^\prime$ new French Gladiolus, "Baron Hulot," a srtikingly beautiful volet blue. And as a special premium I will send with each order 15 bulbs of the popular "America," a charming blush pink. These are smaller, yearling bulbs, but strong, vigorous stock and every one is guaranteed to bloom this season.' Most of the large dealers sell these

"Baron Hulots" and three dozen for one dollar

This is a rare opportunity to start a collection of the most beautiful Gladioli in cultivation for "a mere! song." This offer will hold good till the 10th of June, till which good results. Address.
