## Clothes Comfort for Men is Our Business

It is not only in Ciothes, though, that we make a study of comfort. It is in the little things as well that we strive to please you. You will not get a suit of underwear here that binds you or lies loose all over, if we know it--you will not buy socks that stub out at the toes. You will get the benefit of our experience in the selection c

colors that do not flash or clash in the new ties you need. AND IT GOES WITHOUT SAYING THAT A 5130 SPECIAL Blue Serge Suit at \$15 or any one of the many patterns of Clothcraft Clothes at \$12 to \$20 will give you comfort and genuine satisfaction.

ALL THESE THINGS AND MANY OTHERS spell comfort because they mean satisfaction and ease of mind—this is part of our business—we believe in more than the mere selling of goods—we want to serve you.
