Boy's Unsevered Aftery Restores DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutiona Darby, Pa., July 16.—The one surremedies. Deafness is caused by an vailed to save the almost severed leg of little three-year-old Ralph Pow-ling of the Eustachian Tube. - When ell of Hook road, Darby township, this tube is inflamed you have whose foot, bones and all, except for rumbling sound or imperfect hearing, If circulation could be maintained flammation can be taken out and this by the one artery, which was uninjured, and which was the only thing tube restored to its normal condition, that held the foot on, there was a hearing will be destroyed forever:
