WINNING HIS WAY

The young man who wants to "win material force working in his favor.

. The fact that he has a bank account and pays his bills by check is an indication that he is conservative in his spending; that he has foresight and that he handles his financial affairs in a systematic and business-like way

The accounts of young men, no mat ter how small, are appreciated and encouraged at this Bank.

· Money to Loan on Approved Collateral Interest Paid on Special Certificates of Deposit.
