Some Tasks are Hard and Some Tasks. are Easy for Want Ads--While Few Indeed are Impossible!

The easy want ad tasks are usually accomplished through ONE , PUBLICATION of the ad. The hard want ad tasks may require the dignity of "want ad campaigns."

And, while purely "transient" classified advertising may not complete the task set for it, a "want ad campaign" does not fall, if sensible persistence is used. This means that such difficult want ad tasks as that of finding THE ONE BEST BUYER for your property, or the man who will be glad to invest in your enterprise, or the best possible tenant for that store or business property, are SURE TO BE ACCOMPLISHED If you enter upon suitable want ad cam-
