ner she fied from the room. And

"What has come over you, Charlotte?" she demanded. "You look as if life suddenly were one sweet song."

"Well." Charlotte blushed as she told it, "it begins to look as if the little plot of my making had been carried beyond my expectations."

"We can't talk about it here," Incz said. "Get your things on and come to my home, and we will talk it over."

When they reached the front door they found the three girls and Regi-

He was a printer. The wortess bitterfy had all this without a glimpse of the great destiny that lay before him. Then, with the opening of the great wide west, Mark Twain's genius bloomed. He had found his great place—His fame spread through the nation. It few to the ends of the earth, till his work was translated into strange tongues. From then on, the path of fame lay straight we the high places.

The world has asked is there an American literature? Mark Twain is the answer. He is the heart, the spirit of America. From his poor and struggling boybood to be glorious, splendid old age, he remained as simple, as democratic as the plainest of our forefathers. When they reached the following they found the three girls and Reginald and Dick waiting for them. Reginald refused to go with them in the motor.

"I am starting on a long journey," he explained stiflly to Charlotte. "I should have told you before but my plans here made

lotte. "I should have told you defore, but my plans have been made burriedly."

"Bon voyage," Charlotte wished him lightly, but as he went down the street she shrugged her shoulders. "Goodby, little man," she said and laughed and waved her head to his treeting force.

hand to his retreating figure.

Once in Inex's luxuriant home
Dick demanded five minutes alone
with Charlette and when he had

ner to nimself he said: "I love you. You know it, Charlotte."
"How should I know it?" she asked. "You have never told me."
"How could I tell you," he demanded fiercely, "when you were

"Then why?" Mary Lennox demanded, and they shook their heads and gave it up.

But the next day they were back again in the tea room at 1 o'clock.
"Charlotte, you've got to tell us!"
Inez said to the expert waitress.
"Why are you doing such a thing?"
Charlotte planted the menu card in front of her friend. "I can recommend the stuffed crabs, madam; she said in a mincing tone.

Away she went, to come *back presently with 'fiaming cheeks.
"Inez, Inez," she breathed, "Reginald Barrett is just coming in." If he asks you about me, tell him I have lost all of my money and am earning my living this way."

"Ah-ha!" Inez said melodramatically. "Now I know what you are up to." Then, as a dapper little man with an upturped blond mustache stood in the 'doorway, she whispered, "I'll help you out!"
Reginald came over at once.
"Can you make room for five at 'And." And then Charlotte, with her head up, confessed: "I am not poor. I simply tried my little plot to get rid of Reginals." Earrett. I knew his motives were mercenary, but mother was a marted me to marry him. So while he was in New York for a few days I planned my descent into she will be was a lily."
She stopped, then went on softly: "And.—and I didn't dream that you were in town—that you would."

ly safe." He stopped. "I—er—of course it is very sad."

Charlotte, coming back with the crabs, received an illuminating look from Inaz
