DEVIL GETS AN AWFUL WALLOPING
 New York, Feb. 13.—The Devil got an awful wallop in the 1st round of the Billy Sunday I-timinary campaign here today. When the Old Boy picked up the spiked tail and his pitchfork and started out from Broadway on his daily round he found prayer meetings going on in every block that houses Gotham's twelve million souls.

Beginning today these "cottage" prayer meetings will be held twice a week until Sunday's arrival, April 1. One of the residences opened for the neighborhood prayer meetings in the Plaza section to-day was that of John D. Rockefeller, Jr. Mr. and Mrs. Rockefeller both are deeply interested in the success of the Sunday campaign. The city has been divided into twenty sections and "prayer blocks" have been systematically organized. The burden of the prayers prayed is for the salvation of "backslidden" Christians.

DISTRESSING RHEUMATISM
 How many people, crippled and lame from rheumatism, owe their condition to neglected or incorrect treatment! It is the exact combination of pure Norwegian Cod Liver Oil with glycerine and hypophosphites as contained in

SCOTT'S EMULSION

that has made Scott's famous for relieving rheumatism when other treatments have utterly failed. If you are a rheumatism sufferer, or feel its first symptoms, start on Scott's Emulsion at once. IT MAY BE EXACTLY WHAT YOU NEED.

A DAVENPORT BED

February 12, 1917
 Lincoln's Birthday

Lincoln the Merchant

It seems fitting that we should not lose sight of the fact that our great Lincoln was a merchant, as well as a lawyer, President, an Emancipator—and a man.

Into his task of storekeeping he brought the honesty that was an integral part of his character. It was honesty without effort, born of a great love of fairness for all.

He was clerking in a store in New Salem, Ill. One night upon checking up he found he had overcharged a customer 12 1/2c. He locked the store at 10 o'clock and walked several miles to return the money to the customer.

Upon another occasion when opening the store in the morning he found a four-ounce weight on the scales. The next customer had purchased half a pound of tea. He walked to her home and delivered the balance of the tea before he could eat his own breakfast.

Such was the character of the merchant and man whose birthday we honor at this time. His history is rich in such homely incidents, and in inspirations to surmount difficulties that seem beyond us and at all times to do so unselfishly.
