

Have You Ever Been Broke?

It probably was your own fault, no matter how much you may try to convince yourself to the contrary, for if you had commenced saving when you began earning and had kept on saving something from each pay day, you would have had money on hand for a rainy day when it overtook you. We suggest this as a reason why you should be saving a part of your earnings every week, even though the amount be small.

There is no better way to do this than by opening a savings account at this bank. We pay 3 per cent interest on such deposits—and \$1.00 will start you.

RECEPTION FOR REV. W. H. RANDALL AND FAMILY

A reception was given Monday evening for Rev. W. H. Randall and family, who are soon to leave Andover for Ripley, N. Y., where Mr. Randall has accepted the pastorate of the Baptist Church at that place.

Rev. W. H. Randall came to Andover six years ago as pastor of the Baptist Church, which position he served faithfully until ill health made it necessary for him to resign. For several months he has been resting until now he feels able to again take up pastoral work.

In the years of residence in our village Mr. Randall could always be relied upon to lend his influence and service in every cause for the betterment of the village and society and his loyalty and conscientious christian character has been appreciated by our townspeople irrespective of denominational lines.

We congratulate the village of Ripley upon gaining such desirable citizens.

At the reception Monday evening the large attendance testified to the esteem, and regret at their removal from Andover.

Miss Grace Randall of the Ithaca Conservatory Concert Company kindly favored the company with a reading given in her splendid voice and manner.

Dainty refreshments were served.

COMING TO THE AUDITORIUM
