

MARCH 23, 1917

16 YEARS AGO TO-DAY

Aguinaldo, the Filipino Leader, and His Band of Followers were Captured by United States Soldiers.

After the capture of this noted insurgent, through instructions from our Government, Aguinaldo became a trusted citizen of good standing. What is your present standing in the community? Are you bearing the burdens of true citizenship and its requirements? Your standing will be greatly augmented if you possess a strong bank account to your credit.
