**ANNOUNCEMENT SPRING OPENING Silks and Wools**

Evidently the world war has not dampened the ardor of American manufacturers or their designers and dyers—for never have we seen a season with such wonderful colors in evidence and such daring in design. Take the prismatic colors, subdivide them by tens and hundres, and you will have but a slight idea of the colors shown. The designers have simply "run amuck in many cases and produced wierd effects, yet wonderfully attractive to the eye. Never was there such a range of materials to select from. This should, indeed, be a season calculated to make my lady's shopping a revel. Our space will not permit of a lengthened description of the hundreds of attractive dress materials shown this Spring. We will announce a few of the most prominent members of the Spring family.

**Silks**

**Taffetas**

This Silk will bear a very large part of the brunt of silk selling. Practical, rich, serviceable, moderate in price, it is a most popular fabric. Our "Stehli" Taffetas are the best American production. We make no change in price. Same as last year; grade even better. All evening and day shades.

**Satins**

This weave is steadily growing in strength and promises by Fall to be a force to be reckoned with—Satin Duchesse, Satin La Reine, Satin Luxor are the leading types.

**Silk Poplins**

In this department we carry two of the country's famous lines—Belding and Brainard Armstrong. Colors beautiful; construction the very best.

Other plain weaves much in evidence are Crepe de Chine, Georgette, Chiffon. Splendid line of colors in each.

**Fancy Silks**

Here description, an adequate one, is impossible. Variety so great in design and color combination that space forbids.

**Jersey Silks** with blazor stripe to match.

**Satins and Taffetas** in wide, narrow stripes, checks and plaids in wonderfully rich combinations of colors.

**Oriental Silks** of every description, plain and in those wierd designs of the far east used in combination or as an entire gown.

**Fancy Chiffons** in beautiful pompadour flowered effects and paisley designs.

**Tub Silks** are very attractive and show new color schemes in stripes.

**Silk and Cotton sheer** material, are more beautiful than any former season.

**Wool Dress Goods**

We have the largest stock of years, bought and contracted for in anticipation of the tremendous advance due this year. We have advised our patrons to make their Fall purchases at this time as in many cases it will mean a saving to them of at least 50% in their investment.

Full lines of Serges, Gabardines, Velours and Poplins, are being shown with many additional weaves.

**Novelty Wools**

**English Plaids and Checks** for skirts of all wool, wonderfully soft color schemes in new greys, tans, beige and blues.

**Velour Skirtings and Coatings** by the yard and in individual patterns of plaids and checks.

**Silver-bloom Skirtings** in wide, soft colored stripe for sport wear.

**Wool Jersey** for suits and coats, sport colors.

**Cream Serges** for outing service.
