BACK TO THE LAND WITH THE SUFFRAGE FARMERETTE

What you are going to see now all over this country is a real and vivid and effective back-to-the-land movement led by the suffragists, to the great good of the nation in peace or in war. Women were the first agriculturists and will but be returning to an ancestral occupation in becoming "suffrage farmerettes."

There already exists in the United States an army of women farmers and gardeners. The cen-

sus of 1918 gives the numbers as follows:

Women in Agriculture—	
Farmers	257,706
Farm Laborers	1,514,423
Farm Foremen	7,765
Gardeners	7,834
Gardeners Laborers	7,374
Miscellaneous about	7,000

WHY THAT LAME BACK?

That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible; Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this former Andover resident's example.

Mrs. J. Davis, formerly of Greenwood St., Andover, says: "I suffered from rheumatic pains and kidney trouble five years ago. My back was dreadfully lame and I felt miserable all the time. Doan's Kidney Pills were brought to my attention and I used three boxes, procured from the Brundage Drug Co. They surely fixed me up in fine shape and I consider this medicine very worthy."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Davis had. Foster-Milburn Co., Props, Buffalo, N. Y.
