Andrew Carnegie Gave \$10,000,000 as a Pension Fund for Retired College Professors

To some this act may appear foolish, yet it is just one more case of what a man can do to satisfy his whim if he has the money to back him up. Such wide philanthropy may never be within your scope, yet there is no logical reason why you cannot have a good sized bank account to your credit, if you will but save systematically.

Open an account with this bank without delay and watch it grow.

AUDITORIUM, WEDNESDAY EVENING

"The Honorable Friend"

Having recently created an unusual personal success in "The Cheat," in support of Fannie Ward, and in the stellar role of "Alien Souls," Sessue Hayakawa, the noted Japanese actor, will be seen in "The Honorable Friend."

It is a thrilling photodrama written especially for him.

Sessue Hayakawa is a splendid type of the modern educated Japanese. In Japan his parents had planned that he should become a naval officer in the service of the Mikado, but Hayakawa thought otherwise, and took up the study of drama. Coming to this country he studied drama at the University of Chicago, and then returned to his native country with Japanese translations of the English classics. He was the first Japanese to appear in Shakespearean productions in that country.

Later he returned to this country and met beautiful little Tsuri Aoki, whom he married and she is always seen as his leading woman in Japanese productions.

Recently the wealthy Japanese of Los Angeles presented Hayakawa with a theatre where he appears from time to time at the head of his own Japanese company in modern drama.

In "The Honorable Friend," Hayakawa is seen as a young Japanese gardener.

The price remains the same!

Styleplus Clothes \$17

Men who stand out from the crowd want personality and brains expressed in their clothes.

Styleplus Clothes \$17 are the result of brains directed in a new way to the clothes-making problem.

The Price Remains The Same

The Styleplus idea of concentrating a great national volume on a suit of one known price saves money.

Concentration reduces manufacturing costs. Double volume manufacture, advance purchases of cloth, have beaten the popular fad of raising the price.

You can have all-wool fabrics, expert workmanship, substantial linings and trimmings, style by a great designer, guaranteed satisfaction, \$17, just as formerly—if you come here.

We are the Styleplus store.
